December 31, 2020

Greetings to you from Samoa!

Here we are! We have been here a year as of December 11th. What a blessing to be in the will of God. We have seen God do amazing things. We have been witness to souls saved, lives changed, hearts healed and the love of Jesus given. What more can we say! But PRAISE THE LORD FOR WHAT HE HAS DONE!

The year 2020 is behind us and we look forward to what is ahead of us. Thank you for sharing this journey with us! For all your love and support, your prayers. We have been overwhelmed by the goodness of God. New relationships have developed and other relationships strengthened. We rejoice in the Kingdom of God!

God has so gone before us in so much this last year. This verse still holds true for what God is doing in Samoa. Isaiah 43:19 NJKV Behold, I will do a new thing, Now it shall spring forth; Shall you not know it? I will even make a road in the wilderness and rivers in the desert.

There have been trials and hard times in this year and yet we rejoice in all things! We started with flooding in January, we moved 3 times, we just had flash flooding three weeks ago, but we are on higher ground now. We experienced our family Christmas on zoom. We have enjoyed our family time with our church family here in Samoa.

A few pictures of Christmas, Jim is dressed as Santa and shares Jesus! The doors the red suit has opened are many. What a joy to share love and joy. We were able to provide gifts for children at Campus of Hope, and also for the children at Great Harvest Ministries. Then we came along side a local business owner who coordinates Christmas gifts for the street vendors. Due to the flooding it was accomplished on Boxing Day the day after Christmas. It was wonderful to present Jesus, balloons and shoes! One young man came in off the street and God was clearly ministering to him. Mindy shared the gospel and many children responded.

You may ask is all you do is shoes and balloons? We have been able to do so much more! So many stories! What we do is all in the name of Jesus! It is for His glory that these things are done. Food for families in need and there are so many in need here. Counseling for those hurting, restoration of marriages. Families restored! We are just us, humble servants of the most high God. "Sili sili lava" .

We look forward to the coming year. God has given great vision and so much is falling in place. I continue to study for Exhorter Exam. We are also finding a balance of ministry and rest. We also have teams from US planning to come and we are excited!

We are packing a 55 gallon barrel that will be shipped from Springfield Mo. We are collecting summer clothing for babies and toddlers, newborn to 4T boy and girl. We are also in need of children's bibles and children's books. If you would like to help or have something you would like to donate email at livingongrace2015@gmail.com It takes 4 months to get the barrel here, if we have enough will send second barrel.

We are so blessed to be here! Thank you so very much for your support and prayers! If you or your church want to come please contact us. We are waiting for the borders to open again. We have a group planning on coming in June.
