Talofa! Greetings from Samoa,

God is moving in Samoa! In the middle of the political storm here on the island and daily headlines after elections in April. We know that God is sovereign and on the throne. We have such peace in our hearts for the beautiful people of Samoa.

Romans 15:13 Now may the God of hope fill you with all joy and peace in believing, that you may abound in hope by the power of the Holy Spirit.

Praise God for answered prayer! We are so blessed the barrels arrived from the USA. We were so excited and they came on Mindy's birthday May 5th. Pictured below are just some of the Bibles that we have given to ministry friends here on island. We found favor with customs, transportation of goods and having a place here in the SOLC (Samoa Outreach and Learning Center) to store items.

We continue to minister in schools, business, churches and community. As you see in the pictures so many open doors and we do say no to keep from being overwhelmed. Excited for the things that are ahead.

Our host church is growing even with having no place to meet except our house at the moment. We had 32 chairs set up and the wall to sit on a couple weeks ago. We set the tent up last week. Pray for us for a place to rent the venue the church rented is still occupied. The church is now Great Harvest Church of God.

We actually have a picture this month of the Campus of Hope. We celebrated a pizza party with 70 plus children. It was wonderful to see the smiles of the children. We are so blessed to be able to minister weekly to the children. The children come from many different religious backgrounds and we have the opportunity to minister the gospel. The young girl hugging Mindy is one of the first young ladies last year that God touched.

The balloon scraps became a lesson. What you see is broken pieces and in the hands of the children become the beautiful bracelets. The earrings are the same just a jumble of parts and pieces. But God makes all things new!

Aele Fou Primary we distributed 670 pair of shoes and over 700 balloons. We also go every Wednesday read Bible lessons for English lessons. We have been in 5th grade and 8th grade. Great Harvest Church of God team enjoyed helping with outreach. The principle and teachers were blessed with balloons.

So many pictures and so many stories! Distribution of 670 pair of shoes! Teaching bible stories in schools building relationships with children, parents and teachers. The greatest is the salvations of those that need Jesus. God has allowed us to plant, water and harvest, what an amazing journey!

Mother's Day pictures what a great time! Visiting At His Word Church. We did not know the service was televised live and on replay. So now people stop us and say they saw Mindy on TV. Pictures with Great Harvest COG beach day for Mother's Day Holiday.
