Isaiah 60:22 (NLT)

The smallest family will become a thousand people, and the tiniest group will become a mighty nation.

At the right time, I, the Lord, will make it happen.”

October 30, 2024

Greetings to you all!

We have had an amazing month of October! We had two outreaches with Jesus, Shoes and Balloons. The highlight was a young man stated, “This is the best day ever!” presenting the gospel what a blessing! Mindy continues to be invited to bring the word and so many things happening and open doors.

We celebrated White Sunday at Great Harvest Church of God it is a celebration for the children. It is a national holiday with everything closed the following Monday. The children do the service. We love it! Great Harvest Church of God is growing. We were unable to have church last week, the venue we rent had roof damage from high winds.

As we prepared for CHOGM we attended many prayer meetings and Call to Prayer. The unity in the nation was amazing. 21 different churches, prayer groups prayed, fast for 21 days. Every night from 9pm to midnight prayer went up. The nations came and there was so much peace and Samoa made the delegates, dignitaries welcome.

So here we are at the ends of the earth and God has shown favor. We volunteer weekly at Campus of Hope working with abused children. We teach Bible, we even take a TV and present Superbook, then we worship. Because of our relationship with the Campus, we had the invitation to be at the dedication of the new preschool that is named after Queen Camilla. We had the opportunity to greet her, and we were introduced “this is our missionaries from US”. We were with the children, so we were not in any pictures with her that are public. What an honor but more than anything we are so proud of the children they sang hymns and anthems.

Please keep us in prayer and please come! We now have hot water, and we have housing here for up to 10. We are going to start scheduling teams for next year soon. We are also praying for the election in the USA. We love you all and cannot thank you enough for the support that is given. We have a few events happening in November. We will be participating on November 10th with the Jesus film here in Samoa. We are working with other missionaries and will be doing balloons, meeting people.

There are so many stories of the goodness of God. There was a family that water made the children became ill. When it rains heavily the water is not good. We were able to provide a water cooler and water. This will be used by several families.
