Psalm (NLT) 5:11,12

11 But let all who take refuge in you rejoice; let them sing joyful praises forever.

Spread your protection over them, that all who love your name may be filled with joy.

12 For you bless the godly, O Lord; you surround them with your shield of love.

Greetings,

Ministry continues with new relationships and praises. We want to share a story from our visit from Campus of Hope. These children are in the home due to court cases, child abuse. Many of the young girls arrive pregnant from the abuse and this is often how the abuse is discovered. As we share the word of God on a weekly basis and spend time with the children, we don't need to know their stories. We have been working on Christmas list for the children and we were given a note from a child. They don't ask much and most of all they are broken and need Jesus. This is copy of the note with the name hidden. It is not about the gifts it is about JOY!

I need to you help myself
because I'm not happy in
this country. Because I
miss my parents.

But Me! I was feel so happy
because you comming today to
joy and teach all student
in the bible sty in
today Thank you!

We have received donations and discounts for items for our Christmas with the kids at Campus of Hope. There are about 70 children (it changes)

It is not about the gifts it is our time and letting them know Jesus loves them. This note says it all. This child experienced JOY!

We give prayer support to new Bible school that graduated 28 students! CFCI and the curriculum is solid, and Bible based. It is a win, win for the Kingdom of God. We are considered family and appreciate the relationship with the leadership.

The Engine room is another ministry we are active with. They have prayer weekly and men's ministry now! What a blessing to be part of the community here in Samoa. Another community group is the Samoa Victims Support Group (SVSG). They had a torch run covering the entire islands to bring awareness to abuse. Judge Talasa carried the torch to the closing ceremony. During the torch run several new children came to the Campus of Hope due to sexual abuse. The youngest 7 years old! We got to spend time with her and others making bracelets. Reading and spending time is so vital to the children. Most of all that they know that God loves them.

Great Harvest Church of God Samoa is growing! We have had some families transition to New Zealand but then have new families joining us. We are enjoying renting the new venue and know that God has great plans.

The Samoa Outreach and Learning Center (SOLC), we are in the waiting time. There are things we thought would happen with acquiring land but now we know it was not God's timing. We are still making more connections and relationships and we have faith the God will move the mountains that are in front of us.

Our time helping with Operation Christmas Child has been fulfilling and challenging at times. We celebrate all the children that have come to Christ. We also celebrate all the people we have met. Please pray for us as things wind down. We were thinking we were done; however the remaining shoe boxes are going to American Samoa. We are part of the National team here, so we will assist in training pastors and teachers in American Samoa to present the gospel using the resources provided. It is exciting to see the children open the gifts, more exciting is them realizing the greatest gift is Jesus.

Mindy's nurse registration finally came through. It is from council of nurses and midwifery. However she is not a midwife. The certificate is good until January 31, 2024. We will begin the process again after the 1st of the year. We are still hoping to establish the clinic that is in "Boxes" at Campus of Hope. Will be working with the SVSG leadership and praying for God's will in moving forward.

Mindy continues to preach as an evangelist once a month in some evenings. I am assistant Pastor at Great Harvest, and we are working with Pastor to build up the church. The church families help with the initiatives and outreaches. We have also been doing some one to one with individuals and couples. We are seeing fruit from these relationships.

Our relationship with Aele Fou and the literacy program continues but we will be taking a break. This is the end of the school year. Next week is 8th grade graduation and we are excited to again be part of the graduation. We even have a school uniform that we had made. We will match the teachers and staff. When we read the word through the picture Bible, we share the gospel. We pray before and after our sessions. Our hearts are full of the goodness of God.

Please continue to pray for us. If you have time send a note to say hello. Holidays are time that we do miss our family. Keep them in prayer. Our children and grandchildren and great grandchildren all live in Springfield Mo. We will get to meet our 3rd great granddaughter when we visit the USA next year.
