STEPPING INTO THE DEEP

Luke 5 :4

When He had stopped speaking, He said to Simon, "Launch out into the deep and let down your nets for a catch"

So much has happened since our last newsletter! Sorry it has been such a long time in between.

We completed our MIP (Ministerial Internship) training and moving into that which God has called us.

Mindy completed her testing and ordination exam. Sunday September 9, 2018. She received her Ordained Ministerial Certificate with Church of God of Cleveland Tennessee.

We are now launching out!

UPDATES

We attended the Church of God General Assembly in Orlando Florida this summer. We had the honor of being part of the Parade of Nations. God confirmed the call that we have to Samoa. Doors have opened!

Jim is stepping out in Faith! He is retiring October 5, 2018. We will continue itineration for our upcoming trip to Samoa.

Yes! we are finally going back!

December is our planned time to leave. We are currently working with a travel agent.

You may ask what are you going to do in Samoa?

We are returning to build on relationships we have established and to develop new relationships. We are positioned to move into action, to do whatever it is that God has assigned us to do.

We are praying for direction as we move forward. There are many needs on the islands and a urgency to preach the word of God. In the book of Revelation 16:20 "And every island fled away, and the mountains were not found" (KJV). The Lord is Coming Back Soon! The Harvest is ready and we have been called to the islands.
