June 30, 2022

Greetings to all,

We are having a great time visiting churches, meeting with family and friends. Definitely an adventure and we push through. We have to share some funny moments and say thank you. We cannot thank you all enough for all the prayer and support. It has been such a blessing to us.

We attended Summer Celebration Camp Meeting in Deslodge Missouri. It is really hot in Missouri and the air conditioner in the cab of the RV needed freon. After a discussion at dinner Pastor Joshua Hester offered to help us! The next day he was able to put the freon in the RV that we needed. However he said to Jim, "Did you know you have a dead cat on your engine?". Well sure enough there it was and Pastor Josh said he did not do dead cats. (Note the RV was parked 2 ½ years so it had been there awhile).

Our next stop was Lead Church in Collinsville Illinois, during the dinner conversation the word mummy was used. Jim gave Mindy that look don't! say anything as she said, "Speaking of mummies we have a dead cat we need to get off our engine". At this point Jim can't quit laughing. Pastor Bryan Harris said he had a guy at church that could fix that! Sunday afternoon a gentleman by the name of Tim came got our RV key and came back and said "Snowy is gone".

The next part of our trip the refrigerator door hinge broke and we had to replace it. Well you know that "cat".... The alternator of the RV did not like the cat so we ended up replacing the alternator.

Moving forward what a great month we have had. We miss our Samoa friends and family and keep praying for them. We have added a few pictures from back "home" our other home. Our hearts are in Samoa, and yes we are loving spending our time in the USA. We do look forward to our return to the islands.

This month our travel will be Kentucky, Georgia and then on to General Assembly in San Antonio. We are taking time to rest as we go. We had to take some time out to be isolated for 10 days, so used the time to regain some strength lost due to illness. Praise God we are both doing well!

We so enjoyed Camp Meeting in Missouri and the love shown to us and the appreciation of our calling was humbling. We have so much support from so many churches and pastors and want to say thank you!! Camp meeting day sessions were filled with in depth teaching and ministry. The evening services were powerful and brought renewal. Camp meeting for us was much like a family reunion.

Enjoy the pictures and also this is the link to an 12 min YouTube video of our presentation for the summer of 2022. Samoa Missions 2022 <https://www.youtube.com/watch?v=ZLEKmRR63qA&t=70s> YouTube Video

We will be in San Antonio and hope to see many of you. We are living in our RV and will be at KOA campground. It is our "Fale" on wheels. Fale meaning house.
