The prophet Isaiah was speaking about John when he said,

“He is a voice shouting in the wilderness,

‘Prepare the way for the LORD’s coming!

Clear the road for him!’” Matthew 3:3

March 1, 2022

Greetings to you all!

Do you feel like you have been in a wilderness during this time of chaos? There is a cry to be heard and the season of preparation is soon to be done! There has been such a shift here we are on the edge of great revival. We are seeing such a fire in the young people. We are seeing a great hunger for more of God in the churches we minister to. God has answered our prayers over and over in so many ways.

We will be coming to the USA for a visit April 10th until the end of September, that is the plan. We will wait for God’s timing as the borders to get back into Samoa are closed to those that travel through the USA. We are praying for favor.

Ministry will continue we have a team of people here that will be helping families. Great Harvest Church of God will assist in areas of need for the community.

We will obtain an USA phone number once we get to the USA. I will be setting up schedules so if you want us to come please email us at livingongrace2015@gmail.com We will also be at General Assembly in San Antonio in July. We will be moving back into our RV after we repair the catalytic converter.

This last month we had the lock down but we are now out of that and Praise God able to minister again at the school, hospital and Campus of Hope. Mindy made mask during the lockdown to help open doors and minister to people. There was such fear of this thing and we had such peace. We share peace of God and a smile and the mask is really to just say we care.

Supernatural Fellowship the group of on fire young adults, we spent the day with them at the beach. Peace a friend is going to New Zealand then Fiji. She is a mighty woman of God. We have been able to encourage her and meet with her. What a blessing not counting all the other young people. Everyone calls us Papa Jim and Momma Mindy and we have a wonderful Samoan family so many children and grandchildren.

Great Harvest Church of God is growing! The pastor had the banner made and we see so much appreciation for what God is doing. We have church full of babies, young people and nice mix of everyone. Pastor Watti and his wife Tina are such a blessing to the body of Christ. Pray for them we are once again going to be “homeless” the building we are renting is going to be rented to a restaurant. There is no longer room on our front porch or garage. Bible studies have resumed with a study on Hebrews! We have over 20 Wednesday night. Pray for us it will take about \$200,000 to build a church land and all. Pray for favor in some areas of possible land available through a company.

We continue to be active in what we call the four pillars. Church, Business, Schools and Community. Mindy continues to preach at various churches, we ministers with Faith Angel Foundation, minister in various schools and happy to be back at Aele Fou after the lock down. Reading the Action Bible at school teaching English with Bible. Prayer walks within several businesses have occurred this last month along with Bible Study. Then we volunteer at Campus of Hope that has been on lockdown. The doors God has opened are truly only doors he could open.
