Matthew 28:19

Therefore go and make disciples of all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Spirit

May 31, 2023

Greetings,

Once again we come and give God the Glory for what He has done. We are humbled in all of the opportunities to share the love of Jesus. The message of the gospel. Not only evangelism, teaching, preaching and loving Samoa! Great Harvest Church of God continues to grow and we are seeing more families visit. Mother's Day was a blessing to families. We were able to give gifts to the mother's and also provision of some food. The message was make room for Jesus because It Is Well! Wonderful worship and fellowship. Also this month we were just visiting a church on a Sunday night and Mindy was asked to bring the word! God moved in the altar service. All we can do is say thank you Jesus! Jim has also been bringing the word. Serving communion, baptisms and so much more!

Ministry continues in the community, last week we presented the gospel after our literacy teaching of English, using the Action Bible. Mindy along with our assistant Christonga shared the message of salvation this was the first time we were in the year 7 class. The response was beautiful! The great thing is we get to continue to teach the class! We were also able to go to the pediatric ward to pray for children with Faith Angel Foundation. The ward was full! God moved and we ministered along with other volunteers.

Campus of Hope involved continued teaching of a Greatest Journey. Our lesson included teaching salvation, and for the children to respond in their book if they believed and wanted to be followers of Jesus! As the children brought their books up for us to sign they were smiling ear to ear! Oh to see hearts and lives changed! They are not afraid to say they believe. Last week after our teaching worship broke out and 4 children were healed! This was all in a class room of 40 students!

We are continuing with Jesus Shoes and Balloons! We have added more, Faith Angel Foundation volunteer Sherilee and team provided donuts and juice for all the children. Through Every Home for Christ we obtained New Testaments from the Gideons to give each child. The ministry is expanding! We will be doing outreaches once a month now starting in July! The school in July has 770 children, the school in August has 640 children. We are working to finalize September that will be over 1000 at that school then another school in October. No one has ever done what we do and it is opening doors for other ministries to go into schools. Can we just Praise the Lord for what HE IS DOING in SAMOA!! We found a pair of shoes that a child took off after they received new ones and you can see the need is great. The bookmark pictured below will now go in with the shoes for the children.

We cannot thank our donors enough! Your prayers and giving mean so much! We continue to walk in the assignment God has given. Truly the #365 reaching the Last, Least and the Lost is our assignment here in Samoa. Thank you.
