Isaiah 40:31

But those who wait on the Lord shall renew their strength; They shall mount up with wings like eagles, They shall run and not be weary, They shall walk and not faint.

April 30th, 2023

Greetings,

We want to give God the Glory for all He has done and what He is doing! Our hearts are overwhelmed with the goodness of God.

We celebrated Easter with our church family what a wonderful day!. We have also been involved with Aeale Fou Primary School. We attended the Easter program and then Mindy was asked to do devotions for teachers camp, she even did earrings and balloons. We met more teachers and principals, so we have more schools for Jesus Shoes and Balloons. We are looking at maybe 1800 pair of shoes between 4 schools. We will have final count next month. Will do two schools in May and 2 in June.

We were able to minister to children and young adults this last month and wow! There were 62 that responded to the message of salvation! We continue to walk where God has us ministering. Mindy is back preaching some and I even preached last Sunday at Great Harvest Church of God. If you know me you know that is stretching me!

The Operation Christmas Child the shoe boxes, The Greatest Gift is going well. We were able to present to 3 different groups as missionaries. Mindy is doing well with her Samoan in the presentation of the gospel. We were able to distribute 68 boxes at Campus of Hope, then came along side Faith Angels in two large outreaches. We are now teaching the Greatest Journey to the Children at Campus of Hope.

We participated with Samoa Encounter this is our 4th one since last year. We have been part of the support and prayer team in the altars. This Encounter Mindy presented a portion of the program. We continue to see the fruit of seeds that have already been planted. People here are hungry for more. We are excited in what God is doing. We will resume Bible Studies in our home on Wednesday nights.

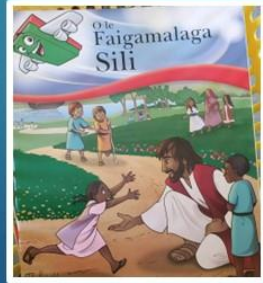

Our schedule remains full and some weeks only two things, then by the end of the week it is full. We have hired a young lady that was with us in Israel. She is a gift! She is an assistant with everything! We needed the help and she is helping with the language and will assist with some of our outreaches.

We participated in the March for Jesus held in front of the government building. The Honorable Head of State was the speaker. We were able to distribute balloons and share the love of Jesus.

Pray for us June is going to be full! We are traveling to American Samoa in June. Mindy will be preaching and we are going to be connecting with some of our friends that have moved from Samoa to American Samoa.
