Jeremiah 29:11 For I know the thoughts that I think toward you, saith the Lord, thoughts of peace, and not of evil, to give you an expected end.

August 4, 2022

Greetings to all,

Looking back at all that has happened in July! We are running a few days late on our newsletter due to all of the travel and visits. Plan, Purpose, Places, and People, that can sum up the month of July as we continue to travel throughout the USA.

We have purposed in our hearts to follow the call of God on our lives. We have gone to Mindy's nephew's wedding, visited family and friends throughout the USA. We have traveled through 11 states, many stops along the way. We have visited 4 churches and have witnessed many people saved, filled with the Holy Spirit. We have seen God move in powerful ways in the altars.

We cannot say thank you enough to all of those that have sown into our journey, here in the USA and in Samoa. We attended the Church of God General Assembly in San Antonio Texas. What God has done this last month has been so wonderful. He has provided in so many ways, Physical, Emotional and Spiritually we have poured out, received, refreshed and been anointed.

Family time has been valuable time spent, our family and our Church families. Visiting with our friends and various churches has been so rewarding, can we tell you the body of Christ is alive! We are seeing a remnant of hunger for more of God, we have met those that have been faithful, steadfast and willing to say YES to what God has for them.

The General Assembly is such a special and rewarding time spent with those that are working along side for the harvest. "The Church on Mission" this is the plan and the purpose and mission are to see souls saved! Our Church of God World Missions Family what a fantastic experience spending time with our leadership, enjoying the missions banquet, and of course the highlight is the missions parade! World Missions launched 365! "The Last, The Least, and The Lost".

We do not forget our beloved Samoa family. We continue to be a blessing and provide groceries by sending funds by a local grocery store app. Pastor Watt purchases and distributes the much needed resources to the families in need. We look forward to our return in October. Samoa is celebrating 60 years of independence this year. There are so many celebrations happening. This last week the prime minister from New Zealand came to Samoa. We believe that God has great things before us and it again is His - Plan, Purpose, Places, and People.
