July 31, 2023

Greetings,

July was an eventful month. Our daughter and granddaughters arrived from Missouri. They are here until August 6<sup>th</sup>. They have joined us in ministry along with family time. We would like to invite families to come and join us for a mission's trip. Email us at [livingongrace2015@gmail.com](mailto:livingongrace2015@gmail.com) We had such great success with utilizing our family in ministry.

They joined us in church services and outreach to Samamea on the other side of the island. We brought toys, balloons and food, and clothing to the families. They also joined us in the final lesson at Campus of Hope for the Greatest Journey. The next week they joined us in celebrating the Greatest Journey Graduation for 39 children at the campus. That was an amazing day. We were on the news and in the newspaper about this event.

Then in the same week we had scheduled Jesus – Shoes – Balloons and Bibles for close to 600 pair of shoes. This was at AeLe Fou, the school we go to weekly. The PTA had decided to change uniforms this year in the 3<sup>rd</sup> quarter to blue. It was so wonderful to be able to give the children shoes but also share the gospel. The local Gideons donated all the Bibles that we needed.

Finally last Saturday we were asked to join the SVSG (Samoa Victims Support Group) fund raising event. We were able to give balloons and smiles to the children that came. It was great to teach our family about ministry here in Samoa.

This month we attended a powerful marriage seminar, and it was really good for Mindy and I to just sit and receive. The speakers are well known in the New Zealand and Samoan communities, Warren and Julie Retzlaff.

Glory Invasion! Interdenominational meetings with speaker Ben Lim from Los Angeles. We were asked to be part of the team. The goal was to have a place for those saved at the event to have a place to go to be disciplined. These nights of ministry were so powerful! Revival is here and the youth and young adults of the nation are hungry!
