We say goodbye to 2022, We welcome 2023 Praise God for more. Great things are before us!!!

January 31st 2023

Greetings,

We are so excited for the new year here in Samoa. Great expectation and greater before us! All in God's timing, His purpose and plans. We are only His servants and our running flip flops are on!

Praise God! Our barrels finally arrived. We knew delay did not mean denial, what a journey and trial. Everything in the barrels was intact and present. We did have some minimal loss to some of our balloons due to the extended heat, the extra month taking a cruise around the South Pacific. We have had the opportunity to already be a blessing to a few people.

BARRELS ARRIVED !
We are rejoicing !

Great Harvest Church of God is in the middle of transition. The building we were renting was rented out by someone else and we had to find a place. At this time nothing has been found and we are praying. The church is meeting at our house on the front porch. It has been a blessing. We were able to purchase the much needed piano for the church so Sunday morning worship can be heard in our neighborhood. We are believing in faith that God has a plan for a building.

Ministry continues in many facets as pictured. Campus of Hope, reading and teaching the Bible, Shoes for street vendors. Mindy taught a class at Every Home for Christ for Baptism and we attended and prayed with those being baptized. We have also been part of the Engine Room and prayer meeting for Samoa.

Also in picture below we are standing with Harolene, she is from Jerusalem prayer house. We met her in October in Jerusalem and she is here in Samoa this week.
