Living On Grace Ministries

SUMMER / FALL 2015

It is a NEW SEASON!

In 1988 we moved from North Dakota to Springfield Missouri to prepare to go to the mission field to help missionaries.

We were not ready to even leave Springfield. We have raised our children. Both have successful careers in the medical field.

Now for such a time as this! Mindy has answered the call and we are a new season. Missionary/Evangelist Mindy has stepped into full time ministry. Stepping away from her career as an assistant professor.

Going forward in faith and this time of transition and preparation.

Doors are opening for ministry with several speaking engagements.

Mindy is working on her second book with plans to publish in October.

God has opened a door to minister in Samoa in January 2016. We are so excited to go back. We have a love and compassion for the people of Samoa.

We are going to help Great Harvest Ministry. They have several needs. We need funds for airline tickets, and two week stay.

Mindy's ordination as a minister of the Gospel

Eagles Rest Ministries ordination.

Going Back! Samoa is in our hearts.

We are jumping for Joy!

If you would like to partner with us we have enclosed an envelope. Make checks to Harvest Church for tax deductible donation. You may also give online.

Please pray for us as we move forward in this new season. There are so many people on the Island of Samoa that need more of God. Many that need to know God really loves them.

Salvation of the Lord is at hand. When we went to Samoa last year God dropped a supernatural love in our heart for the people.

It is time to come home to be reconciled to the Lord. It is time that all things become new.

Be blessed! Thank you for prayers of support as we go forward.

In Christ. Jim and Mindy Wiese
