LIVING ON GRACE MINISTRIES P.O BOX 2475 SPRINGFIELD, MISSOURI 65801

APRIL 2017

Untouchable

Who are the untouchables in your life? Are there people that no one wants to touch? You need to reach out and touch them. Jesus did this repeatedly and are we not to be like Him?

Jesus touched, healed the leper, blind, lame, mute, deaf, broken hearted, the woman at the well, and the harlot.

Who do you meet? Those that are socially and economically different? Those with mental illness, the drug addict, the alcoholic, the person living in sin.

It is time to be the church and get past ourselves to be like Jesus. You may be the one that Jesus uses to set the captive free.

Don't just walk by the prison and look at those inside

with distain but pray for them, reach out and be Jesus.

Seasons

We are often asked "When are you going back to Samoa?" The answer is in God's timing. Our hearts are there now and to be there physically would more than thrill us!

We are still in a season of transition but in this season this place we continue to minister to those around us.

It is a season; Mindy is serving on Roxanne Potter Ministries team. She ministers where God needs her. She is traveling some with the team. Being support staff is a great place to glean and learn. We have been supporting the Branson Revival in Branson attending on Friday nights when we are home. This is a place of

pruning and growth. Overwhelmed by what God is doing. There is a shift into a new level.

Jim is driving the van for the youth on Wednesday night. He is leading intercessory prayer on Monday nights. Mindy is cooking meals for youth. Working in the altars. We are very active in our home church, 417 Life Church.

"Say not ye, There are yet four months, and then cometh harvest? behold, I say unto you, Lift up your eyes, and look on the fields; for they are white already to harvest." John 4:35

Not knowing what is in front of us but knowing that God has a plan and we are walking in it and trusting.

We would like to cast the vision of our hearts before you.

We see before us nations, not only Samoa but many others. There are souls ready for the harvest.

We would like to keep this vision before all of you that are praying and support us in this journey.

Process

We have been married 41 years in January and we continue the process of downsizing and getting rid of debt.

This spring we have a few events to attend and some travel. We want to see fruit! Fruit comes after pruning and the blooming.

Mindy continues work on writing and keeps busy. She is substituting at Christian school and working for home health touching the untouchable.

Jim continues his work at the hospital in biomed.

We would love to come to your church or group and share our hearts.

God has a plan and we are walking in obedience.
